

October 2021

Dear friend,

Formed in 2011, Mahoning Valley Manufacturers Coalition is our region's lead manufacturing workforce development agency. **MVMC is proving that the workforce development needs so many manufacturers face can be best solved together.** We have developed a unique capacity to bring partners together to implement industry-led solutions. Our strong reputation through 10 years of action has firmly positioned us in a lead seat at the table among the region's business advisory councils, state agencies, workforce development boards, education and training partners, civic groups, and economic development committees. Manufacturing plays a critical role in our region's economy, and we are viewed as an integral connection to those employers.

**Mahoning Valley Manufacturers Coalition will be celebrating our 10<sup>th</sup> Anniversary on Thursday, December 2, 2021 at Waypoint 4180 in Canfield. Please save the date!** This historic occasion will feature fabulous food and fellowship, keynote speakers, and will showcase testimonials from our founding members and some local manufacturers who have benefitted from MVMC's programs.

We are extremely excited about this special event, and we hope you can join us as we recognize the amazing local manufacturers who have played a significant role in our growth, along with our education, community and workforce development partners who have supported MVMC's success.

The format will begin with a cocktail hour at 4:00 p.m., followed by a short program with dinner immediately following. The dress code for the celebration will be business casual.

**Please consider serving as one of our event sponsors. By supporting MVMC's 10<sup>th</sup> Anniversary Celebration, you will be publicly showing your commitment to workforce needs of area manufacturers. Additionally, your participation helps us to continue to attract the workforce needed for growth and expansion by offering seamless career pathways that enable individuals to enter and advance in strong and fulfilling manufacturing careers.**

A complete menu of sponsorship opportunities and benefits is enclosed. We do not need payment of your sponsorship at this time, we just need your commitment. Proceeds from this event will support local programs and services of Mahoning Valley Manufacturers Coalition.

If you have any questions, or need additional information, please do not hesitate to contact us. We look forward to hearing from you!

Sincerely,
